Presentations by representatives of Sun Tribe Solar and Affordable Energy Concepts, Inc., informed the Board and public of their business interest in providing solar energy alternatives to supply electricity to NCPS on the Academic Lane campuses. The Sun Tribe Solar presentation showed solar ground arrays to be installed behind the NHS/NMS school complex and rooftop solar arrays at NHS and NES with a possible new roof installation for NES. Affordable Energy Concepts presented their proposal where the solar ground arrays will be installed across the street from land that could be leased from a private owner with energy provided using underground conduit and junction boxes.

The division superintendent provided the Board with a comprehensive list of NCPS volunteer opportunities available at each school. The listing will be posted on the website and social medias for public access.

Other actions taken by the Board:

- Approval of the *NCPS Employee Handbook* which will be posted on the website;
- Approval of the *NCPS Student Code of Conduct* which will be posted on the website;
- Approval of the *NCPS Crisis Plan*;
- Approval of the Memoranda of Understanding for the School Telehealth Program Between BRTA, MPNN CSB and Northumberland County Public Schools for the 2019-2020.
