

*School Activity Funds Regulation*

*In conformance with Policy DGC "School Activity Funds," each school principal oversees their school's activity fund and each principal must be bonded.*

*Northumberland County School Board's insurance contractor (VaCORP) bonds each employee in the sum of \$250,000.00. If we are to change insurance companies, we will get the same bonding figure for each principal.*

*Approved by School Board: January 12, 2015*
